Subject: Comments to the docket - Are we able to view the attachments?

Hi Anthia,

I have been monitoring the Docket (EPA-HQ-OPP-2020-0600) for the aldicarb NOR through FDMS. There are several comments that have been submitted with attachments that have not yet posted to the public side of the docket.

What are the chances of seeing the attachments so that we can begin preparing our response to the comments?

Thanks.
Debra
